

Box Cricket

Box Cricket is a fast-paced version of cricket played in a confined area, emphasizing quick decision-making, teamwork, and strategic play.

Rules & Guidelines

1. Each team will consist of a fixed number of players as decided by the organizers.
2. Matches will be played using soft balls only.
3. The number of overs per match will be announced before the game.
4. Standard box cricket rules will apply.
5. Direct catches will be considered out.
6. Any ball hitting outside the designated playing area will be considered dead.
7. Umpire and coordinator decisions will be final.
8. Unsportsmanlike behaviour will result in disqualification.

Runs:

1. Normal runs scored by running between wickets.
2. Boundaries may be defined by hitting walls/nets:
 1. **Hitting side wall/net = 1 run**
 2. **Hitting back wall/net = 2 runs**
 3. **Clearing boundary (if open area) = 4 or 6 runs**
3. Organizers may set custom scoring rules based on the box layout.

Dismissals:

4. Bowled, caught, run out, stumped, hit wicket – same as cricket.
 5. **Caught off wall/net** may count as out (venue-specific).
 6. If the ball hits the ceiling directly, batsman is out (common rule).
